

Legal Information

IN-GAME ANALYTICS LIMITED is an independent SaaS company providing analytics services. We are not affiliated with, endorsed by, or in any way officially connected to any game publishers or developers. All trademarks, service marks, trade names, trade dress, product names, and logos appearing on our platform are the property of their respective owners. Our services are intended solely for informational and analytical purposes.

This section provides comprehensive legal documentation to eliminate any confusion and prevent potential issues. We strongly advise reading through these documents thoroughly to avoid misunderstandings in the future.

Copyright Notice

2025 © IN-GAME ANALYTICS LIMITED. All rights reserved. All original content, including but not limited to text, images, designs, code, and other materials, is protected by copyright law. Unauthorized copying, reproduction, distribution, or modification of any content without written permission is strictly prohibited and may result in legal action.

GDPR Compliance

We comply with the General Data Protection Regulation (GDPR).

- Personal data collected: **email addresses, social nicknames, and analytics data.**
- Purpose: to provide analytics services, improve user experience, and ensure secure communication.
- Rights: users may request access, rectification, erasure, restriction, or portability of their personal data, and may withdraw consent at any time.

Requests can be submitted to **privacy@easygameai.com**. We will promptly review and address valid claims.

Usage of Lilith Games Media Materials

This website strictly adheres to the Lilith Games Terms of Service regarding the use of media materials.

All images, trademarks, and other Lilith Games content used on this site remain the property of Lilith Games and are utilized solely for informational and non-commercial purposes.

This website does not claim ownership of any Lilith Games assets and does not modify, distribute, or use them for commercial benefit. If you believe any content on this site violates Lilith Games' policies, please contact us for prompt review and removal.

Data Aggregation Disclaimer

IN-GAME ANALYTICS LIMITED aggregates statistical data exclusively from publicly available sources and user-submitted information. Actively uses OCR and image machine analysis techniques.

- No automated interactions with external game servers, applications, or clients occur.
- We do not provide or sell raw game data. Instead, we offer analytical insights based on extracted and processed information.

If you have concerns regarding the displayed data, please contact us.
